Short Description

Jumpstart your career in the dental field!

Description

Accelerate Your Future at SoCal ROC!

This course provides high school students an opportunity to receive entry-level extensive hands-on training in the unlicensed field of Dental Assisting.

Our Dental Assisting for high school students is divided into two parts;

1. Dental Assisting (HS students only)
2. Dental Assisting Career Preparation

Upon successful completion of this program and graduating from high school, students will have the opportunity to complete a 120 hour externship in a dental office in the South Bay and fulfill the minimum certifications required to work as an unlicensed dental assistant in the State of California!

Learn Valuable Industry Skills!

This course introduces students to Health and Safety (Infection Control) Guidelines and Procedures, Dental Laws and Ethics (California Dental Practice Act), Dental Terminology, Anatomy and Physiology, Microbiology, Preventive Dentistry and preparing materials for Chairside Procedures.

- **Professional Certification Opportunities!**

- Designations offered to students completing the Registered Dental Assisting program include
-
- 1. Dental Radiology Safety Compliance, Dental Practice Act, and Infection Control Certificates
-
- 2. The ability to apply for Dental Assisting positions and get paid while they earn their work hours

Checkout Potential Career Options!

Employment opportunities include entry-level positions in General Practice Dentistry.

Successful completion of this course will strengthen the student's ability to continue education in the dental field such as a Registered Dental Assistant in Extended Functions, Hygienist or Doctor of Dental Surgery (D.D.S.).

Prerequisites

Thank you for your interest in enrolling in the SoCal ROC Registered Dental Assisting (RDA) program.

The following items are required in order to enroll in the program:

High School Info

Benefits of CTE

After completing courses in CTE, you will have a clearer vision of your future career path and what the next steps will be. Career Technical Education allows high school students to see what options are out there and see first-hand what careers they enjoy and thrive in. Whether you decide to enter the workforce, pursue a trade or apprenticeship, or apply to college, CTE adds to the traditional high school experience and is designed to prepare you for the next stage in your life.

Earn High School Credit!

You can earn up to 10 elective credits and satisfy CSU/UC Admissions Requirements » G - College Preparatory Elective (upon completion of entire program)
