## Short Description

Create a finished "Reel" for your portfolio

## Description

### Accelerate Your Future at SoCal ROC!

This course combines all skills learned in the previous program content, and adds more experience through having students create a finished "Reel" for presentation to the class, potential clients, and/or employers. In addition, students will have an opportunity to sculpt a full character/creature using physical clay.

## Professional Certification Opportunities!

Designations offered to students completing the Advanced Character Design and Animation course include:

1. Certificate of Competency

### High School Info

#### Benefits of CTE

After completing courses in CTE, you will have a clearer vision of your future career path and what the next steps will be. Career Technical Education allows high school students to see what options are out there and see first-hand what careers they enjoy and thrive in. Whether you decide to enter the workforce, pursue a trade or apprenticeship, or apply to college, CTE adds to the traditional high school experience and is designed to prepare you for the next stage in your life.

#### Earn High School Credit!

You can earn 5 elective credits
