Short Description

Emergency Medical First Responder and Emergency Medical Technician Instructor

Description

MEET YOUR INSTRUCTOR

MR. NOE LOPEZ "SENIOR"

Hi next generation of first responders! I am Mr. Lopez but my students call me "Senior". I would like to express my gratitude to you for making the decision to attend SoCal ROC. Be present and enjoy your time here.

MY BACKGROUND

I have been working in Emergency Medical Services for over 35 years! Over my long tenure I have done it all from working as an EMT in an ambulance to working in an emergency room to becoming a paramedic for the LA City Fire Department.

MY PURPOSE

My purpose is to prepare and leave this EMS field better than I found it. I plan to do so by creating a classroom environment that not only teaches the subject matter and skills required to be a successful first responder but emphasizes the comradery, compassion, and attitude that is crucial in the field.

FACTS ABOUT ME

- I foster a classroom environment that not only teaches our students the subject matter and skills required to be a successful first responder but emphasizes the comradery, compassion, and attitude that is crucial in the field.
- I joined the Urban Search and Rescue back in 2006 and became certified in Tactical Emergency Services in 2011 and gained specialized experience.
