Short Description

Become a CNA in only 10 weeks!

Description

Accelerate Your Future at SoCal ROC!

Our Certified Nurse Assistant/Home Health Aide program is CDPH-approved and provides hands-on clinical experience in a skilled nursing facility. You will be equipped with the skills to care for patients in a hospital or residents in an extended-care facility. You will also be prepared for a rewarding career as a Home Health Aide assisting the elderly, convalescents, or people with disabilities in the persons' home.

Learn Valuable Industry Skills!

The curriculum will include, but not be limited to, Title XXII, OBRA (patient rights), vital signs, fire/safety regulations, Universal/Standard Precautions, nursing process, fluid intake and output, personal hygiene, body mechanics, nutrition, specimen collection, activities of daily living, basic anatomy and physiology, medical terminology, abbreviations and communication skills.

Professional Certification Opportunities!

Designations offered to students completing our Certified Nursing Assistant program include:

1. Eligibility to take the state exam to become a Certified Nurse's Assistant
2. Eligibility to apply to the State of California for a Home Health Aide certificate

Prerequisites

Thank you for your interest in enrolling in the SoCal ROC Certified Nursing Assistant (CNA)/Home Health Aide program.

The passage of SB 1384 (Chapter 847, Statutes of 2014) **removes** the requirement that certain convictions listed under "Disqualifying Penal Code Sections" will result in an **automatic** denial of the certified nurse assistant (CNA) training and examination application (CDPH283B) by the California Department of Public Health (CDPH). **The CDPH 283B CNA and 283D CHHA initial applications have not changed and applicants still must list all convictions. The CNA instructor will discuss this information with you on the first day of class.**

The following items are required in order to enroll in the program:

Updated COVID-19 requirements according to CDPH and CDC guidelines:

? Students must be fully vaccinated and show proof of vaccination on the first day of school.

(Fully vaccinated means 2 doses of the Pfizer or Moderna or 1 dose of the J&J with the addition of the vaccine booster.)

? All students must wear masks and face shields at the facility unless otherwise noted.

? Students may be tested using a rapid COVID-19 test at the clinical site if required by the facility or the LA County Dept. Public Health.

? Must be at least 18 years old; High school diploma or GED highly recommended

? Must provide a completed physical exam document signed by your physician (See attached form) prior to entering the course. **Any restrictions that would prevent participating in clinical activities (lifting, pulling, ambulation, or standing for 4-6hrs or other medical conditions) must be listed.**

? **Live Scan fingerprinting will be done at SoCal ROC during the first week of class.**

? Provide proof of a NEGATIVE MANTOUX TEST or NEGATIVE CHEST X-RAY performed

within the **three months** prior to the start of class. The IGRA lab test within the past 12 months is also acceptable.

? Provide proof of completing the HEPATITIS B VACCINE series (3 injections) or sign a vaccination waiver.

? Provide proof of the Varicella vaccine or immunity or sign a vaccination waiver.

Note: If you do not have a record of the listed vaccines, you will need to request a blood test to check for immunity.

? For clinical rotations from October 30th through April 30th, students must have received the seasonal influenza vaccine. Students will also be required to wear a face mask and shield at all times in the patient care areas.

? Provide proof of current **American Heart Association BLS for Healthcare Providers certification.**

? The CPR BLS card must be current prior to and during the entire class period.

? Students are responsible for their own transportation to and from the off campus clinical site.

? An official Social Security card is required for the Live Scan and to register for the CA state CNA

exam. *It must be an original without lamination or other alterations.*

? **You will not be allowed to register for the class without proof of a valid Social Security card and government issued photo ID.**

? **No refund of course fees from SoCal ROC will be issued after the first class session for any reason.**

Additional approximate fees for the course include:

? Purchase of two white uniforms (\$20-\$45), a watch with a second hand, and neutral colored water-resistant, non-skid soled shoes (prices vary). Uniforms are worn starting the third week of class.

? Nurse Assistant Certification Exam Application Fee (\$120)—
Fee is payable by money order or cashiers' check only at the time the applications are to be submitted. Specific information regarding the exam fees, location and application is done in class.

? **Please note that these are the new editions of the textbook and workbook which include long-term care and home care published in 2022. Please go to the Hartman Publishing website to purchase.**
