Short Description

Have you ever wondered what it would be like to work for a doctor in a medical clinic? Now you can make your dreams come true. Become a CLINICAL MEDICAL ASSISTANT.

Description

Wow your friends and family with the skills you will learn in the back office, such as, performing electrocardiography, laboratory skills, and assisting with medical office procedures. Upon successful completion of the course, the student will also receive a Universal/Standard Precautions Certificate. Course is open to high school students.

Prerequisites

For the enrollment requirements, please review the course prerequisites letter.

On the Job Training

Upon earning a Certificate of Competency in all five modules, the student may be eligible to apply for an externship (externship) offered during daytime hours

UC Credit

No
