

Welding Modules IV

School: SoCal ROC
Course ID: 4523
Availability: Call 310-224-4200

Short Description

For the student interested in entering an exciting field with outstanding employment opportunities, or who wants to improve his/her current welding skill level.

Description

Students will complete both TIG Welding-Aluminum and TIG Welding-Stainless Steel. Purchase of apparel and materials is required for adults, but is optional for high school students (approximately \$150). Completion of Welding I, II, III, IV prepares the student for the 3G & 4G Structural Certification Exam.
