School: SoCal ROC
Course ID: 409
Availability: Call 310-224-4200
Weight: 0.00kg
Dimensions: 0.00cm x 0.00cm x 0.00cm

Short Description

Jumpstart your career in the medical field and become an EMT!

Description

Accelerate Your Future at SoCal ROC!

Take the first step in the pathway to your new career. Become an Emergency Medical Technician at the basic level and prepare to pass the National Registry Exam (NREMT).

Students gain invaluable medical skills and knowledge that can not only lead to employment now but set our students up for future healthcare positions. Working as an EMT can lead to emergency careers such as a paramedic or firefighter, and is a great stepping stone for those seeking higher level of medical training such as Registered Nurse, Physician Assistant, or Physician and counts as clinical experience for students interested in applying to medical or physician assistant school.

Learn Valuable Industry Skills!

Students will learn first aid and life-saving skills for trauma and medical conditions such as shock, respiratory and cardiovascular emergencies, immobilizing injured limbs, and assisting with emergency childbirth. The ambulance ride-along is part of the course requirement.

- **Professional Certification Opportunities!**
-

-

High School Info

Benefits of CTE

After completing courses in CTE, you will have a clearer vision of your future career path and what the next steps will be. Career Technical Education allows high school students to see what options are out there and see first-hand what careers they enjoy and thrive in. Whether you decide to enter the workforce, pursue a trade or apprenticeship, or apply to college, CTE adds to the traditional high school experience and is designed to prepare you for the next stage in your life.

Earn High School Credit!

You can earn 10 elective credits and satisfy CSU/UC Admissions Requirements » G - College Preparatory Elective (upon completion of our EMFR course and this course)
